

Giving the Gift of Hope to a Child's Future

School in a Bag is an initiative that delivers rucksacks full of stationery and resources to poor, orphan, vulnerable & disaster-affected children.

Globally, there are millions of underprivileged and disaster-affected children who are deprived of an opportunity to learn. According to UNICEF figures, almost one fifth of the world's child population will never attend school. On an individual basis, an education for these children can provide hope and a lifeline to a future out of hardship - on a world scale, educating the future generation is a key force towards human development and global stability.

School in a Bag is a simple solution - each **SchoolBag** is filled with essential resources that will enable a child to write, draw, colour, calculate, express themselves, eat, drink and above all, learn. A typical **SchoolBag** contains: 12 pencils, 10 biro pens, 12 colouring pencils, a math set, a ruler, a pencil case, 6 exercise books (line/square/plain), a water bottle and a LunchBox containing a Spork. Every SchoolBag is new and individually numbered to allow donors to track their progress on the www.schoolinabag.org website.

School in a Bag has distributed over 75,000 SchoolBags to children in 35 countries. To help give hope to a child's future please contact:
